Office Guiding Principles

We have three principles that we feel are important to share with our patients. We strongly believe in our work and professional efforts, and we therefore ask you to read this page thoroughly and then sign indicating that you understand these principles and agree to comply with them.

Commitment to Treatment Principles

Your oral health is a priority for us! We believe all treatment begun should be completed. Incomplete treatment leads to problems, complications, misunderstandings, and usually further disease. Therefore, if a plan is agreed upon and started, it needs to be completed.

Commitment to Appointment Principle

We take pride in our caring atmosphere. We thoroughly enjoy being able to offer the highest level of care and personal attention to each and every patient. We love having personal time with you. When that time is lost due to an appointment cancellation, other patients in need of treatment cannot be seen and your treatment is delayed. For these reasons we have established the Commitment to Appointment Principle. Your appointment time is especially reserved just for you. Should the need arise to cancel your appointment, that is not an emergency, we require at least **24 hours** notice to avoid a fee of up to 50% of the appointment amount. If commitments for appointments are constantly broken, a reservation fee equal to the appointment fee may be required.

Commitment to Financial Arrangement Principle

We believe we have the responsibility to use the best professional care, skill and judgment in planning and delivering your dental treatment. Your payment will reimburse us for services. By signing below, you are indicating that after all fees are properly explained to you that you agree to fulfill your financial commitment to our office promptly and completely. This includes third party fees (i.e. insurance) not paid within **60 days** of the date of service. Any fees involved in the collection of a delinquent account may be charged to your account as well.
